A toy company in the U.S. put the following toy ad on their website, which has become the talks of many parents and teachers.

What comes to your mind when you see clothes in pink or blue?
Pink for baby girls, and blue for baby boys?
When you see dolls in store windows, have you ever thought of buying
one for a boyfriend as a gift? Do you ever give girls toy cars or robots?

And here is what four people say about the ad.

Julie Moore

Time has changed. Boys and girls should play with toys that interest them whether they are toy trucks or dolls. We should stop labeling toys for boys or for girls....

Robert Hanks

Dolls for boys? No way! I can't stand the thought of my sons playing with dolls!...

Ken Miller

I have five sisters. When I was young, I enjoyed playing house with them. We act out with toys. It was so much fun!...

Jessie Smith

Who says dolls are for girls? When I was a girl, I never liked dolls. They were boring to me. I played with toy cars, trucks, and blocks. Now I am an engineer....

There was a hungry dog walking around the market and trying to get something to eat. He saw a piece of meat on the stand. He quickly stole it and ran away. He decided to eat it at home. On his way home, he came to a bridge over the river. While he was crossing the bridge, he looked down and saw his shadow in the water. He thought it was another dog with a bigger piece of meat than his. He wondered whether he could get the bigger one or not. Then he got an idea. He opened his mouth and barked at his shadow. Finally, the meat dropped into the river, and he had nothing to eat.

During COVID-19 pandemic, students have been asked to learn from home for about three months. Teachers in Taiwan started to learn how to use the teaching media in class. They have collected all the useful information from the Internet, and had all the online systems and teaching media ready for their teaching.

“Google Classroom” is one of the popular media for junior high school teachers. They can set up different courses in Google Classroom and announce information on the board of it. Also, students can hand in their homework on it. It is very convenient **for both teachers and students to get involved in class.**

Another important media is “Meet”. It is a system that combines with Google Classroom. With Meet, teachers can easily start a meeting or a course with their students. They can share files, websites, or videos with students on it. With the help of Google Classroom and Meet, teachers can catch up with lesson plans during the pandemic. As for students, they have to be responsible for themselves and learn how to behave themselves especially in the “classroom”.

Mrs. Ke: The topic of your group report for this semester is “A Famous Taiwanese”. You guys need to upload it before December 10th. Do you have anyone in mind?

Elsa: I’m wondering if we can write about Ang Lee. He’s a famous director. His movie, Life of Pi, is a good one.

Tim: I don’t know who Ang Lee is. Can you explain more?

Anna: I know who he is. He was born and raised in Taiwan, and then moved to the USA to study movies.

Elsa: Correct. He has made lots of great movies and even won Oscar Awards several times.

Tim: Wow ! That’s amazing. But I’ve never seen his movies before. I have no idea what to write.

Anna: Don’t worry. Let’s go rent some of his DVDs first. Let’s talk more after that.
