This year, our class went to the zoo as part of our science report. We did not do much studying. We just had a good time. We took our school bus and left for the zoo at 9 o'clock. After arriving there, we all wanted to see the elephant show at 10 o'clock, but before that, we went to see the snakes because they were part of our report.

The elephant show lasted 45 minutes. Then, we had a 15-minute break for a drink. We ran all over the zoo and tried to see as many animals as we could before lunch at 1 o'clock. Lunch was fun because we were having it with the monkeys. My friends said the monkeys were my cousins! We only had half an hour for lunch before we got back on the bus. It took us about an hour to go back to school.
