聽力稿：

- Will you go mountain climbing with us if it is sunny tomorrow?
- I have had enough of math. There is nothing more I can do about it.
- Jill's classmates think she's a walking dictionary because she has a great knowledge of English words.
- Have you decided whether you will go hiking with us next week?
- There is something wrong with my new TV I bought three days ago. What can I do for it?
- W: What happened to your left leg, Max?
M: I broke it yesterday while I was riding my bike in the park.
W: How come?
M: I heard someone calling my name, and I turned round to check. I didn't notice there was a stone ahead of me, so I fell down.
W: Did you go to see the doctor?
M: Yes, I think I have to be more careful next time.
Q: What happened to Max yesterday?
- M: Lindy, what are you doing? It is pretty late now.
G: Dad, I am still studying for my science test tomorrow.
M: But it is almost 12 o'clock. You should go to bed now.
G: OK.
M: Before you go to bed, remember to brush your teeth. Don't forget what the dentist said last week.
G: I'll keep that in mind.
Q: Why didn't the girl go to bed?
- W: Who is that tall guy with short brown hair?
M: That's my cousin, James. He is from Canada.
W: Then what does he do in Taiwan?
M: Well, he is a businessman and he owns a big company in Taipei. He will stay here for two weeks because he needs to deal with some problems at work in person. That's why he comes to Taiwan at least four times a year.
W: OK. I see.
Q: What is true about James?

9. M: The woman with dark glasses is waiting to cross the street. She seems to need help.
W: Don't worry. Did you see the dog beside her? It must be a guide dog. Guide dogs are trained before helping people. They are very professional.
M: You're right. It will lead and help the woman cross the street safely.
W: Look! They are starting to walk ahead.
Q: Which might be true about the woman with dark glasses?
10. W: Who is the man you were talking to a few minutes ago?
M: You mean the one who has short black hair?
W: Yes.
M: He is my cousin, Frank, and he just came back from Japan.
W: Is he Japanese? What does he do in Japan?
M: No, he is Taiwanese and he works in Osaka. He comes back to Taiwan every three months. We meet and have dinner together when he is in Taiwan.
W: I see. Can I have dinner with you guys next time? He is so cute and handsome.
Q: Which is true from the conversation?
